## Regulating power dynamical

**Pull** ..... daN  
**Push** ..... daN  
Static stress..... daN

**Stroke** .....mm  
**Velocity** .....mm/s

## Fitting position

**Operating frequency:** .....s/h  
**Cyclic duration factor** .....% ED

## Type of mounting:

- |   |   |   |
|---|---|---|
| <input type="checkbox"/> bracket                  | <input type="checkbox"/> pivot                      | <input type="checkbox"/> clevis and bolt                |
| <input type="checkbox"/> cardan joint             | <input type="checkbox"/> flange                     | <input type="checkbox"/> shackle toggle joint + bearing |
| <input type="checkbox"/> angle ball +socket joint | <input type="checkbox"/> special fixing (on detail) |   |

## Conditions of surroundings:

- dusty  
 humid  
 tropic  
 sea surrounding

## Installation:

- outdoors  
 roofed over  
 closed room  
.....meter above sea level

## Specification

- high rust protection  
 special finish  
 bellow

**Connecting voltage:**    **1AC** .....V .....Hz                    **DC**.....V  
                                  **3AC** ...../.....V .....Hz

**Enclosure:** IP-.....                    **Ambient temperature** +.....°C to -.....°C  
**Insulation class:**                    .....

## Way limit switch:

- |  |  |
|--|--|
| <input type="checkbox"/> 2 <input type="checkbox"/> 4 <input type="checkbox"/> 6 adjustable limit switches | <input type="checkbox"/> 1 or <input type="checkbox"/> 2 polar |
| <input type="checkbox"/> potentiometer .....Ohm  | <input type="checkbox"/> precision potentiometer .....Ohm      |
| <input type="checkbox"/> electronic position 4-20 mA transmitter   | <input type="checkbox"/> special construction (on details)     |

## Special types:

- |   |   |  |
|---|---|--|
| <input type="checkbox"/> PTC thermistor sensors | <input type="checkbox"/> brake motor                | <input type="checkbox"/> motor stagnation heater |
| <input type="checkbox"/> plug connection        | <input type="checkbox"/> switch box actuator-heater |  |

**In case these actuators are meant to be substitutes for old ones, please be so kind and send us these actuator numbers (you can find it on the nameplate of the actuator, or on our actuator itself.)**
